Top questions to ask when hiring a commercial building inspector:

1. What are your qualifications and experience in commercial building inspections?
2. What types of commercial properties have you inspected before?
3. Can you provide references from previous clients who have hired you for commercial building inspections?
4. What specific areas of the property will you inspect, and what will you look for during the inspection process?
5. What tools and equipment do you use during the inspection process?
6. Can you provide a written report detailing the findings of the inspection?
7. How long will the inspection take, and when can I expect to receive the report?
8. Can you provide an estimate for the cost of the inspection?
9. Are there any limitations to the inspection, such as inaccessible areas or hidden defects?
10. Do you have any insurance or liability coverage to protect against any damage or errors during the inspection process?
